Welcome to Graveley Playground

Play safely, explore nature, and enjoy yourself.

Look Before You Play!

Our play equipment sits completely in the open air. Because we share this playground with nature, birds and other animals frequently visit the structures.

Check First: Always inspect seats, chains, and slides before use.

Watch For: Animal or bird fouling may be present.

Stay Clean: We clean regularly, but nature happens between visits.

Wipe Down: Keep wet wipes handy for quick clean-ups.

Our Living Biodiversity Strip

The unmown zone along the edge of the playground is left wild on purpose!

We are actively encouraging local wildlife and wildflowers to grow here.

Pardon The Grass: Long grass provides vital shelter for tiny creatures.

Spot The Wildlife: Look out for bees, butterflies, and birds feeding.

Let It Grow: Please do not pick the wildflowers or step into the tall growth.

Help Us Thrive: Keep litter out of the nature strip to protect habitats.

Standard Park Rules

- **Bins:** Please use the bins provided for all litter and pet waste.
- **Dogs:** No dogs allowed in the play area (except assistance dogs).
- **Problems with equipment or grass too long:** Contact the Parish Clerk at parish.clerk@graveley.org.uk.
