

- Do not scale from this drawing; work to figured dimensions only.
- All information is to be checked on site for accuracy and fit.
- Report any discrepancies and omissions to RMA Architects.

- Where RMA services on a project do not include for site inspections and works surveys, RMA do not warrant that 'as built' issue drawings are a complete and accurate record of what has been constructed
- Unless notified specifically by the responsible party, changes made on site to RMA design information has not been incorporated in this drawing.
